Safety Through Education

The first phase of our work was completed in Kearny Schools with our student programs being highly praised with special laudatory comments regarding our ACADEMY program of "kids sticking up for kids". Our second student phase

will begin in March.

We are all looking forward to our teacher training and student programs starting up in the U.S. Virgin Islands mid- March

Safety Patrols

After a nine-month preperation period on this, our 26th anniversary, we are very proud to be heading off to South Africa at the end of the month to start our first chapter there. We have been formally invited to do so by the

26th Anniversary Benefit Concert

April 13

Kenny Vance and the Planotones will be holding a benefit to support our "Safety through Education" Initiatives.
