

## A Guardian Angel Testimonial

Dear Mary & Curtis,

Thank You for everything you all stand for! My name is Barb, I had the honor of meeting with Blue and his 2 other fellow Guardian Angels this Sunday morning in Apopka, Florida. I really felt safe with knowing the compassion they have to help us with our gang problem. I am impressed ! My husband felt better also! I spoke to our son this afternoon and proceeded to tell him about these wonderful fella's of the guardian angels, my son sends his thanks too. He feels better now leaving us here in Orlando and he is being deployed overseas, where if something were to happen to us he could not get to us fast. He said if you could not do something that 3 units of Marines would! He said no one messes with a marine mom! God I love that kid of mine! He say's HOORA! SEMPER FI ! And again GOD BLESS! We are looking forward working together to make our town safer.

Thanks again  
Barb & Manny
