GILBERT - The 'Guardian Angels' neighborhood watch group is patrolling the area near Gilbert Rd and Guadalupe after reports of a man exposing himself to women.

Last week, a woman told police a man followed her through her apartment complex and exposed himself.

Gilbert Police say he's done it at least three times over the last few months. Once after watching a woman in the pool with her friends, then, showing up at her door naked.

"We don't know what his intent was, or where his actions are going, but the fact that he's watching them earlier, or the previous night, and then knocking on their door the next day, is very concerning to law enforcement," says Sgt. Mark Marino.

Police are trying to find the man before he gets any bolder.

The suspect is described as a black male between 5'9" and 5'10" and 185 to 200 lbs. He typically approaches the victims between 4 and 7 a.m.
