**SACRAMENTO, Calif.** -- There's a volunteer effort against prostitutes in Sacramento County.

The Sacramento Guardian Angels are again targeting a hooker hot spot on Watt Avenue.

The group targeted what it said is the motel at the center of the sex trade there -- The Great Value Inn.

The group gathered in the motel's parking lot to try and keep customers away.

Neighborhood residents said the area is awash with prostitutes and their customers and they said that so far, law enforcement hasn't been able to clean things up

The angels said motel management supports their efforts against prostitution.
