## Cleanup and festival scheduled in Coatesville

A cleanup campaign and a heritage festival will take center stage Saturday in Coatesville.

The revitalization effort will occur from 8:30 a.m. to noon. Representatives of groups including the school district, Weed and Seed, the Guardian Angels, and the Police Department will meet at City Hall for a back-to-school trash-collecting marathon, organizers said. At noon, participants can shift into party mode when the Fiesta Latina starts between First and Second Avenues on Lincoln Highway. Sponsored by the Coatesville Cultural Society, the festival, with deejay Mono, will feature Mexican food and music, culminating with a dance party at 8:30 p.m.

Matt Baker, one of the cleanup organizers, said volunteers should wear comfortable shoes and old clothes, and will be divided into groups so that each of the city's five wards is covered.
